

# BREAK THE CYCLE OF INCARCERATION

The USA contains

**5%**  
of the world's  
population

**25%**  
of the world's  
incarcerated population

**10%** of the US prison  
population is in California

**Recidivism exceeds 60%**

**PRISON SPENDING IS 5X MORE  
THAN HIGHER EDUCATION**

**\$60K**

Average cost per  
inmate per year

**\$12K**

Average spent on  
higher education

**\$9B**

Annual prison  
spending in CA

## Job Opportunities

By 2020, a projected shortfall of 1M tech jobs reveals the need for skilled employees.

## Financial Incentives

A formerly incarcerated person contributes more than \$10K annually towards the economy if employed.

## Social Impact

In-prison career training prepares inmates for success, developing grateful employees who are hardworking and reliable.

After one year from release, over 75% of CA's formerly incarcerated are unemployed.

**\$233 Million**

Annual tax savings with only 10% reduction

**IN-PRISON, CAREER TRAINING  
LEADS TO JOBS POST RELEASE**
